and drifted by a hummingbird whose nifty nest was there.

It drifted past the hummingbird into a belching bog.

and floated by these three fine fellows croaking on a log.

The bubble travelled onward 'till it reached a sandy shore.

and floated by this crusty creature resting by his door.

on it blew, past the shore and through a stand of trees,

and drifted by this freckled friend encamped in knobby knees.

..and the story continues
for 14 pages until..

On and on the bubble blew, refusing to be stopped,

into this dusty desert. That's where Bitsy's bubble...

All the friends were sad
to see their journey reach an end,

Sooo...

Bitsy blew a bubble...

and the fun began again!
